

NEWSLETTER FOR TERM TWO -2024 ACADEMIC YEAR

We do owe the Almighty God gratitude and appreciation for His protection from all dangers of body, soul and spirit which have seen us through the term, amidst uncountable number of challenges. I wish to use this opportunity, on behalf of the Area Head, Area PENSOS Board, Local Manager, PTA Executives, School Administration we wish all parents, guardians and other stakeholders God's blessing during these Christmas holidays.

PAYMENT OF SCHOOL FEES

I would like to make a passionate appeal to parents on behalf of the Executive to assist us in this direction by making prompt payments since it has been given us serious headache. Please have in mind that the school gets no subvention from any source whatsoever but relies solely on **SCHOOL FEES** for her running. It is rather unfortunate that some of our parents have made it their habit to wait for their wards to be asked to come home before they come with either excuses or small payments, making it difficult for the smooth running of the school. It will also not help your wards to have undisturbed and peaceful learning. Let us assist our wards and children in this regard. Thank you.
